The Second Middle East International Dermatology & Aesthetic Medicine Conference & Exhibition

Dubai, United Arab Emirates
20th September, 2017, Pre-Conference Workshop & Course
21st - 23rd September, 2017
Intercontinental Hotel Dubai Festival City
It gave us a great pleasure to organize the 2nd Middle East International Dermatology & Aesthetic Medicine Conference & Exhibition (MEIDAM) The House of Dermatology. The Conference was held in UAE, Dubai on 21st - 23rd September, 2017. We were delighted to host the conference in its second appearance in the great city of Dubai city - the center of the world. We welcomed all the delegates with our authentic Emirati hospitality.

The conference aimed to present to participants the latest developments in the fields of Dermatology and Aesthetics medicine, and shared advance and innovative techniques & knowledge in Dermatology, Dermato surgery & Aesthetics medicine from around the world. Through sharing knowledge and information with senior, junior and residents, the program comprised of an exciting combination of lectures and practical workshops from variety of school of thoughts and backgrounds. This scientific conference intended to provide an evolving and unique forum for discussions and exchange among researchers and clinicians from all over the world as it facilitated the dissemination of the latest knowledge and expertise derived from research in the fields of Dermatology, Dermato surgery and Aesthetics medicine. The conference was an excellent place for networking opportunities with senior, junior and resident colleagues, and we hope that it formed a platform for coordinating new partnerships which advanced, not only the field, but the careers of all participants.

The conference itself was held in the great city of Dubai in the United Arab Emirates UAE – The world’s main financial, logistic and knowledge hub. Dubai has always been an optimum destination for remarkable exhibitions and conferences due to the central proximity to the rest of the world and the modern culture. Dubai is a fascinating city that offers year-round sunshine, intriguing deserts, beautiful sandy beaches, luxurious hotels and shopping malls, and interesting heritage attractions, which added to the conference experience and made the trip worthwhile, enjoyable and deeply enriching for the attendees.
